HOW TO BE SAVED

1) Understand that the Bible declares you to be a sinner who is in need of forgiveness from God due to the penalty attached to sin, which is both physical and spiritual death. Those who die physically without forgiveness will die a second death by being placed in Hell for all eternity. However, God has provided the means of that forgiveness, which is found in the person and work of His Son, Jesus Christ. (Romans 3:23 & 6:23 "All have sinned" & "The wages of sin is death.")

2) Therefore, believe (trust/be persuaded) that Jesus Christ is God who came in the flesh and was the perfect substitutionary sacrifice on your behalf when He died on the cross for your sins, was buried, and rose physically from the dead on the third day. Trust/believe that Jesus, the Messiah, is your substitute and your Savior from the penalty of sin (John 1:1 "The Word was God" & Romans 5:8 "While we were still sinners, Christ died for us.")

3) Jesus accomplished the work of salvation on your behalf, and that salvation is a gift from God that cannot be earned or worked for. It is provided to the individual by grace and through the means of faith. Faith is the only necessary condition for salvation; specifically faith (trust/believe) in Jesus the Messiah's substitutionary death for your sins, His burial, and His resurrection. (Ephesians 2:8-9 "For by grace you have been saved through faith, and that not of yourselves; it is the gift of God, not of works, lest anyone should boast.")

Prayer: Lord Jesus, I know I am a sinner, and I ask you to forgive me of all my sins. I believe you are God who came in the flesh and lived the perfect life I couldn't live. I believe You died on a cross for my sins, were buried, and rose from the dead on the third day. I receive and trust You as my Lord and Savior. Thank you for saving me and giving me eternal life. In Jesus' name, Amen.
